PACKAGING

4X1 gal

ABOUT THIS PRODUCT

Control dust on floors and other surfaces with this water-based dust mop treatment. This product is formulated to remove damaging abrasive dirt and dust. It is safe to use on finished floors and does not leave an oily residue to attract dirt and grime. Regular use makes floors look better and last longer and improves the indoor air quality by removing dust and contaminants. This product turns regular dust mops and dust cloths into dust magnets.

DIRECTIONS

This product can be used undiluted or you can dilute 64 ounces per gallon of water for economy.

Dust mops:

1. Lightly mist and spray the surface of the dust mop. Do not oversaturate.
2. Dust mop floors in normal fashion.

Dust cloths:

1. Lightly mist and spray the wiping cloth. Do not spray directly onto surface to be dusted.
2. Dust in normal fashion.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear eye protection/face protection. **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
