ABOUT THIS PRODUCT

Bake Clean is a detergent for mechanical spray washers. Bake Clean removes tough grease and baked on foods safely from aluminum and stainless steel cookware. It also offers controlled foaming characteristics for improved operating efficiency.

DIRECTIONS

Bake Clean concentrations vary depending on soil load and water conditions. Consult your local salesman for specific product usage. Aluminum and other soft metals are best washed at 160° F or lower to prevent staining.

Use 1 oz. per 5 gallons of water (pH 10.4).

Accidental spills should be neutralized with dilute acid or thoroughly flushed with water to a sewer. Read and understand label and Safety Data Sheet before use.

Warning: Do not mix with anything but water.

Si no entiende Inglés, consulte a su supervisor sobre precauciones al usar éste producto.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** Call a POISON CENTER/doctor/medical professional if you feel unwell. Specific treatment: see first aid instructions in section 4. Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **Storage:** Store locked up. **Disposal:** Dispose of contents/containers in accordance with local/regional/national/international regulations.
