

PHYSICAL PROPERTIES

Appearance: Clear Liquid

Specific Gravity: 0.81

Odor: Citrus

Ph (Conc.): N/A

Flash Point: 150°F (66°C)
estimated.

PACKAGING

12X32, 4X1 gal, 5 gal,
55 gal

Big Orange

D-LIMONENE DEGREASER

ABOUT THIS PRODUCT

Big Orange is a unique blend of natural-based solvents and cleaning agents specifically designed for the removal of asphalt, tar and grease. It can also be used in the maintenance of lift stations and grease traps. Big Orange can also be used as a glue and mastic remover. It cleans and degreases all surfaces and tools after application. This cleaner is easy to use, just pour in and it will not freeze.

Use In: Grease Traps, Asphalt Applications, Lift Stations, Waste Treatment Plant, Mastic & Adhesive Remover

DIRECTIONS

FOR GREASE TRAPS: To keep clean, fresh smelling, and free flowing, add enough product to maintain a 1 to 3 inch layer above the water level. (Two quarts will cover 60 square inches at a depth of inches.) If trap is heavily loaded with grease, it must be cleaned out manually, before adding this product.

FOR MASTIC REMOVAL: Liberally apply Big Orange to the floor surface. Let product sit until the adhesive or mastic is liquified. Remove by scraping solution to a central point and adding clay-based oil dry to absorb the solution. Dispose of the solution in accordance to your state and local regulations.

PRECAUTIONARY STATEMENTS

Prevention: Keep away from flames and hot surfaces. No smoking. Wear protective gloves/eye protection/face protection. Wash hands and exposed skin thoroughly after handling. **Response:** In case of fire: Use water fog, foam or carbon dioxide (CO₂) to extinguish. Call a POISON CENTER/doctor/medical professional if you feel unwell. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF SWALLOWED:** Immediately call a POISON CENTER/doctor/medical professional. Do NOT induce vomiting. **Storage:** Store in a well-ventilated place. Keep cool. Store locked up. **Disposal:** Dispose of contents/container in accordance with local/ regional/national/ international regulations.
