

PHYSICAL PROPERTIES

Appearance: White Powder

Specific Gravity: 2.26

Odor: Distinct

Ph (Conc.): 7-8 (10% solution)

Flash Point: N/A

PACKAGING

8lbs

De-Foam Powder

DEFOAMER

ABOUT THIS PRODUCT

De-Foam Powder destroys troublesome foaming from detergent residues left in carpet. For use with portable or truck mount extraction cleaning machines. A highly effective defoamer designed to be spread over a dry carpet where foaming detergents have previously been used. De-Foam Powder is also used to defoam waste water tanks by vacuuming 1 oz. of product up the wet vacuum hose. One application of De-Foam Powder over the carpet defoams the entire area and allows for headache free extraction without stopping to fix foaming issues.

DIRECTIONS

Before extraction cleaning, lightly and evenly apply De-Foam Powder directly to carpet. Typically, only a few tablespoons of De-Foam Powder per 100 square feet of carpet are required to completely prevent foaming. If carpet contains an extra heavy detergent residue from previous cleanings, increase the quantity of De-Foam Powder used.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling.

Response: Call a POISON CENTER/doctor/medical professional if you feel unwell. If skin irritation occurs: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
