HEAVY DUTY CHLORINATED CLEANER

PHYSICAL PROPERTIES

Appearance: White Powder

Specific Gravity: 1.74

Odor: Characteristic

Ph (Conc.): 13-14 (10% solution)

Flash Point: N/A

PACKAGING

50 lbs, 100 lbs, 400 lbs

ABOUT THIS PRODUCT

F-450 is a heavy-duty chlorinated cleaner designed for removal of heavy soil, grease, waste deposits, fats, protein, and blood. Contains active chlorine and is designed for use on stainless steel, steel, galvanized metal, and aluminum. For use in canneries, dairies, bakeries, seafood processing plants, wineries, vegetable processing plants, bottling plants, red meat and poultry processing plants, institutional kitchens, breweries, super- markets, egg processing plants, and restaurants.

Effectively removes grease, sugars, syrups and vegetable oils from scale, slicers, mixers, choppers, saws, dough blenders, vats, transfer lines, and conveyers.

DIRECTIONS

Manual: Dissolve 1/2 to 1 cup of powder into 5 gallons of hot (140°F) water. Apply liberally to all surfaces and allow to soak up to 5 minutes. Reapply and scrub with nylon brush or pad as necessary to remove soils. Rinse thoroughly with hot, high-pressure spray.

Note: Due to alkalinity and chlorine content, rubber gloves should be worn to avoid irritation.

Pressure Or Steam: Dissolve 2 cups of powder per gallon of hot water (140°F.) in premix tank. Inject into pressure washer at a ratio of 1 part detergent to 16 to 32 parts water (160°F.) Apply liberally to soiled surfaces. Allow to remain on surface for 5 minutes, then clean with pressure. Rinse thoroughly with hot water.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Do not eat, drink, or smoke when using this product. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** IF SWALLOWED: Immediately call a poison center/doctor/medical professional. Specific treatment: See section 4 on the Safety Data Sheet. Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **Storage:** Store locked up. **Disposal:** Dispose of contents/containers in accordance with local/regional/ national/international regulations.
