

F-900

HEAVY DUTY ALKALINE CLEANER

ABOUT THIS PRODUCT

F-900 is a high foaming cleaner recommended for foam cleaning walls, ceilings, floors and stainless steel equipment. This product is effective at removing carbon based soils. It is a high foaming formula designed to cling to vertical surfaces for removal of baked-on soils. F-900 is effective in bakeries, snack food plants, oil processors, supermarkets and meat, seafood, vegetable, poultry and other food processors.

- High Foaming For Enhanced Attack On Complex Food Soils
- Specially Formulated To Dissolve Fats, Oils And Grease
- Deodorizes As It Cleans
- For Use On Walls, Floors And Stainless Steel Equipment
