

PHYSICAL PROPERTIES

Appearance: Thick Orange/White Paste

Specific Gravity: 0.99

Odor: Citrus

Ph (Conc.): 6-7

Flash Point: >385°F (196°C)

PACKAGING

4X1 gal

Kwik Orange

WITH CORN COB SCRUBBERS

ABOUT THIS PRODUCT

Kwik Orange Hand Cleaner is an all natural blend of citrus solvents, organic detergents and hand conditioning agents. A special blend of corn-based micro scrubbers are added for removal of tough ground in greases and oils. Kwik Orange can be used with or without water.

Kwik Orange is formulated to be used in all automotive and truck repair facilities, Industrial manufacturing plants and other locations that require heavy duty hand cleaning. It is designed to remove grease, tar, oil, paint and other solvent based soils.

Kwik Orange contains lanolin skin conditioners to prevent drying of the skin after repeated daily use.

DIRECTIONS

Apply a small amount of Kwik Orange Hand Cleaner onto the center of hands. Rub hands together to break up greases and oils. Rinse hands in warm water and dry. To use as a waterless system apply Kwik Orange to hands, rub hands together until all grease and oils are emulsified and wipe hands clean with an adsorbent towel.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands thoroughly after handling. **Response:** If skin irritation occurs: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
