

PHYSICAL PROPERTIES

Appearance: Green Liquid

Specific Gravity: 1.02

Odor: Butyl

Ph (Conc.): 11.5-12.5

Flash Point: >212°F (100°C).

PACKAGING

4x1 Gallon

Low Odor Finish Stripper

FLOOR FINISH REMOVER

ABOUT THIS PRODUCT

Earth Worx Finish Stripper is a environmentally preferred blend of water-soluble solvents and corn based surfactants designed to emulsify multiple coats of floor finish. It should be used on vinyl composition tile and other floors that will not be harmed by water-based solvents.

DIRECTIONS

1. For normal problem floors, dilute 1 part stripper to 4 parts warm water. Apply to small inconspicuous test area before doing entire floor. Dilution ratios ranging from 1:4 to 1:10 may be necessary depending on the number of coats of old finish.
 2. Using determined dilution ratio, apply to small area of flooring (approx. 50-100 sq. ft.) Permit solution to remain on floor approximately 5 minutes before scrubbing. Do not allow solution to dry on floor.
 3. Scrub thoroughly with machine and stripping pad. Pick up solution immediately with wet-dry vac or mop.
 4. Rinse well with clear water.
 5. Do not apply sealer or finish until floor is thoroughly dry.
- Automatic Scrubbers: Use the double pass method for best results. Apply stripping solution, normally 1 part stripper to 10 parts water. (Test in small area prior to stripping floor.) Then strip with machine.

PRECAUTIONARY STATEMENTS

Prevention: Do not breathe dusts or mists. Wash hands and exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Response: Call a POISON CENTER/doctor/medical professional if you feel unwell. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable breathing. Immediately call a POISON CENTER/doctor/medical professional. Specific treatment (see Section 4 on the Safety Data Sheet). IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Storage: Store locked up. Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.
