

PHYSICAL PROPERTIES

Appearance: Clear-Light Amber Liquid
Specific Gravity: 0.83
Odor: Citrus
Ph (Conc.): N/A
Flash Point: 150°F (66°C) estimated.

PACKAGING

12x32oz, 4x1 gal

Nu Glo

STAINLESS STEEL CLEANER & POLISH

ABOUT THIS PRODUCT

Nu-Glo is a proprietary blend of solvents and mild surfactants designed to clean and polish metal surfaces such as stainless steel, aluminum, and other hard surfaces. Nu-Glo will remove dirt, grease and other soils from the surface while leaving a brilliant shine.

FEATURES/BENEFITS

- Highly Effective
- Leaves A Brilliant Shine
- Cost Effective

DIRECTIONS

For best results, apply Nu-Glo liberally onto a cloth or surface to be cleaned and polished. After applying Nu-Glo to the surface, polish with a clean soft cloth.

Nu-Glo will remove dirt, grease and other soils from the surface while leaving a brilliant shine.

Do not use Nu-Glo on solvent-sensitive surfaces such as acrylic, styrene plastics or latex painted surfaces. Do not over-spray Nu-Glo onto surfaces that will be walked on, as they can become slippery.

PRECAUTIONARY STATEMENTS

Response: If skin irritation occurs: Get medical advice/attention.
