Solid Dish Detergent

SOAP SCUM & FILM REMOVER

ABOUT THIS PRODUCT

A high performance solid dishmachine detergent for use in restaurants, cafeterias and other institutional kitchen and food service operations. This product is excellent for high or low temperature dishmachines for complete cleaning of dishes, pots, pans, glassware, and silverware in one pass. Heavily fortified with alkaline builders, water conditioning additives, soil emulsifiers, and anti-redeposition agents for unsurpassed results. Effective in hard water areas. Not recommended for use on aluminum, tin, pewter, galvanized or other non-ferrous metals. Safe and convenient solid form minimizes chemical contact.

DIRECTIONS

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on proper solid bowl dispenser. Consult your Representative for information on equipment setup, usage level and cleaning procedures. For best results, use with hot water. Not for manual washing or presoaking.

PRECAUTIONARY STATEMENTS

Do not breathe dust. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

First Aid: If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.

Specific treatment: Wash contaminated clothing before reuse. Store locked up. Dispose of contents/container according to local, state, and federal regulations.
