ABOUT THIS PRODUCT

Premium Solid Dish Detergent is the dish detergent that set the standard for solid detergents. It is formulated with ingredients that will make even the toughest water conditions and most stubborn soils disappear. Just one cap of product will last as long as one pail of liquid dish detergent.

DIRECTIONS

Do Not Use on Soft Metals Such as Aluminum or Pewter. Consult your Service Representative for specific use directions. Use only in an approved dispenser. Remove detergent container cover. Place container open end down in dispenser. Carefully lift container when empty from dispenser. Turn upright, and use cover from new container to seal used container. If product contacts hands, wash off immediately.

PRECAUTIONARY STATEMENTS

Do not breathe dust. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.
First Aid: If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.
Specific treatment: Wash contaminated clothing before reuse. Store locked up. Dispose of contents/container according to local, state, and federal regulations.
