ABOUT THIS PRODUCT

Heavy Duty: Highly concentrated formula powers up the cleaning ability of detergent for cleaning heavily soiled items.

Liquid Concentrate: Mixes readily and goes to work immediately. Will not clog or cake up in automatic injectors.

Versatile: Can be used in a separate break cycle or combined with laundry detergent for superior results.

Anti-redeposition Agent: Contains a special soil suspending agent to guard against re-soiling.

Chemically Compatible: May be used with all types of detergents.

DIRECTIONS

For Automatic Feeding: Open container carefully. Remove pickup tube from empty container and insert into new container being careful not to drip any product on skin or clothing. If air pockets are present in tubing leading from container to dispenser or from dispenser to laundry machine, prime dispenser to completely fill tubing. Dispenser is programmed to add SUPER BREAK to correct machine cycle in the proper amount.

Consult your usage chart or sales representative for the amount to add to your machines.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Do not eat, drink, or smoke when using this product. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection /face protection.

Response: IF SWALLOWED: Immediately call a poison center/doctor/ medical professional. Specific treatment: see first aid instructions in section 4. Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
