QUARRY TILE CLEANER

PHYSICAL PROPERTIES

- Appearance:** Green Liquid
- Specific Gravity:** 1.03
- Odor:** Pleasant
- Ph (Conc.):** 2
- Flash Point:** Not applicable

PACKAGING

4x1 gallon

ABOUT THIS PRODUCT

Traction QTC cleans quarry tile floors and keeps them safe and free from grease. This product penetrates and lifts grease and oil from quarry tile, concrete and other hard surfaces. It was formulated for cleaning the kinds of grease found in food preparation areas.

RECOMMENDED USES: Quarry Tile and Concrete Floors, Kitchens and Food Preparation Areas, Shower Rooms and Bathroom Fixtures, Institutions and Schools

DIRECTIONS

Light Soil: 1-2 oz./gal.

Medium Soil: 2-4 oz./gal.

Heavy Soil: 4-8 oz./gal.

“Shock” Clean-Up: Sweep or vacuum floor prior to applying cleaning solution. Apply a generous amount of cleaner to the floor and allow to dwell. Mix 1 part product with 32 parts hot water (4 ounces per gallon) and mop solution onto floor. Let set 5 minutes. Agitate floor using a deck brush for 3-5 minutes, allowing cleaner to penetrate the surface. Remove soil and residue with a mop, floor squeegee or wet-vac. Rinse floor thoroughly with clean water. Allow floor to dry.

Daily Maintenance: To maintain clean, grease-free floors, mix 1 part product with 64 parts hot water (2 ounces per gallon), and mop as needed. Traction QTC can be applied to large areas, such as docks, through a foamer. Apply the product, scrub in direction of grout lines with a plastic bristle brush. Spray rinse and squeegee dry.

PRECAUTIONARY STATEMENTS

Prevention: Do not breathe dusts or mists. Wash skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/ face protection.

Response: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable breathing. Immediately call a POISON CENTER/ doctor/medical professional. Specific treatment (see supplemental information on this label). IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

Storage and Disposal: Store locked up. Dispose of contents/container in accordance with local/regional/national/ international regulations.
