

PHYSICAL PROPERTIES

Appearance: Thick White Liquid

Specific Gravity: 1.00

Odor: Citrus

Ph (Conc.): 5-7

Flash Point: >212°F (100°C)

PACKAGING

4X1 gal

Ultra

CARPET PRE-CONDITIONER

ABOUT THIS PRODUCT

This ultra concentrated carpet prespray is ideal for cleaning heavily soiled traffic lanes and overall carpet preconditioning. At a 1:32–64 dilution (depending upon carpet construction and soiling conditions). Ultra delivers economical, high quality cleaning at concentration rates unrivaled in the carpet cleaning industry. It powers through the filthiest grime without harming the carpet fiber or construction. Ultra meets or exceeds industry standards for the safe and effective cleaning of stain resistant carpet, as well as all synthetic residential or commercial carpets.

DIRECTIONS

Shake well before using. To be used as a prespray for soiled carpets. Product should be extracted after use. It can be used on all synthetic carpets, including stain resistant nylon. Ultra is designed for use in the Hydro-Force sprayer and other types of electric, battery, or pump up sprayers.

For use with Hydro-Force Sprayer: For normal soiling and use with the regular 1:8 Hydro-Force Sprayer, dilute 1 part Ultra to 6 parts water. Do not allow carpet to dry before extraction.

For heavy soiling and use with the 1:8 Hydro-Force Sprayer: Dilute 1 part Ultra to 3 parts water. Do not allow carpet to dry before extraction.

For use with Pump Up/Electric/Battery Sprayers: For normal soiling, dilute 2 oz. Ultra to 1 gallon hot water (1 to 64). For exceptionally heavy soil, dilute 4 ounces per gallon (1-32). Spray until carpet is damp. Extract with your normal process. Do not allow carpet to dry before extraction.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear protective gloves. Wear eye protection/face protection. **Response:** IF ON SKIN: Wash with plenty water. Specific treatment (see Section 4 on the Safety Data Sheet) If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
