

Concrete Off

CONCRETE REMOVER

PHYSICAL PROPERTIES

Appearance: Light Amber Liquid

Specific Gravity: 1.17

Odor: Characteristic mild;
Burnt sugar

Ph (Conc.): 1-2

Flash Point: N/A

PACKAGING

55 gallon Drum

ABOUT THIS PRODUCT

Concrete Off is an acid alternative with no fumes or odors. This safe, but effective, alternative is a newly developed concept in chemistry. Concrete Off molecularly breaks down the ionic bond in concrete, completely dissolving and releasing the hardened concrete from any surface to which it is adhered.

DIRECTIONS

Dilute 4:1 - 6:1 in Tote

Completely saturate concrete to be removed with the foamer. Foam down area of hardened concrete to be removed. Concrete will turn white upon contact, then darken as it dries. If it is wet it is working, if dry it is not. Allow Concrete Off to penetrate 10-15 minutes. After 10-15 minutes reapply Concrete Off to same area. If pressure washer is available, that is the best way to get concrete off.

Attacks Concrete at the molecular level and returns it to mud without use of harsh acids.

PRECAUTIONARY STATEMENTS

Response: Wash hands and exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Response: Wash hands and exposed skin thoroughly after handling. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection/face protection. Response IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Specific treatment: see first aid instructions in section 4. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER/doctor/medical professional if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Storage: Store locked up Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.
