

Big Yellow

GRANULAR SEWER CLENER

PHYSICAL PROPERTIES

Appearance: Granular Solid,
Yellow/ Orange

Specific Gravity: 2.13

Odor: Characteristic

Ph (Conc.): >14

Flash Point: NA

PACKAGING

50lbs

ABOUT THIS PRODUCT

Big Yellow is a compound containing sodium hydroxide flakes and a sacrificial aluminum. It is intended for the cleaning and maintenance of municipal sewer lines.

IMPORTANT READ ENTIRE LABEL CAREFULLY BEFORE USING

Use only as directed on the label. any other use may result in serious personal injury. Always wear a face shield, safety goggles, rubber or plastic gloves, long sleeved clothing and boots when using this product.

DIRECTIONS

FOR MUNICIPALITIES: Pour slowly or use a dry shovel and add about 30 lbs. into strategic manholes. If larger doses are necessary use 60 lbs. This product needs water to do its work. If sewer system is dry, cold water should be poured down the manhole after the product is added. For every pound use 2 quarts cold water, for 30 lbs. use 15 gallons of cold water. Allow 1 to 2 hours contact time and if normal flow has not been obtained repeat but do not add more than 2 lbs per gallon of water in the line. after blockage is open, flush line thoroughly with cold water.

FOR INDUSTRY: This product is recommended for unclogging drains in food plants (particularly in packing houses) where accumulations of organic matter tend to clog drainage systems. Remove strainer from floor drains and add 1 pound of product to every 2 feet of sewer line to be treated followed by 2 quarts of cold water for every pound used. After blockage is open, flush line thoroughly with cold water.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Do not eat, drink, or smoke when using this product. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection/face protection.

Response: IF SWALLOWED: Immediately call a poison center/doctor/medical professional. Specific treatment: see first aid instructions in section 4. Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Storage: Store locked up.

Disposal: Dispose of contents/containers in accordance with local/regional/national/international regulations.
