ABOUT THIS PRODUCT

Double Play Powdered Vehicle Cleaner is a blend of alkaline builders, organic detergents and water conditioning agents. It is formulated to provide effective vehicle cleaning at high dilutions. Double Play is intended for use as a water diluted product for pressure wash systems. It is a highly alkaline solution. It is not intended as a hand wash system. If hand washing is performed, be sure to protect skin and eyes from solution.

Double Play is the perfect product for all vehicles. Powerful enough to clean the toughest job, but mild enough for classic car.
