

PHYSICAL PROPERTIES

Appearance: Blue Viscous Liquid

Specific Gravity: 1.0

Odor: Cherry Almond

Ph (Conc.): 5-7

Flash Point: >385°F (196°C)

PACKAGING

4X1 gal, 5 gal, 55 gal

Euro Wash

PREMIUM VEHICLE WASH LIQUID

ABOUT THIS PRODUCT

Euro Wash is a highly concentrated blend of heavy duty surfactants, formulated to deliver a rich foam for the most effective cleaning and customer satisfaction.

Euro Wash is a premium grade car wash. It is a highly concentrated product that has a balanced ph designed to be soft on your skin for manual hand washing of vehicles. Euro Wash's rich foam removes grease, oil, road dirt, film, and dust.

Euro Wash is designed to work with hot or cold water. This special blend of surfactants will rinse easily without leaving behind soap residue. This formula also works well in hard water due to its strong chelating agents.

DIRECTIONS

For Hand Washing dilute 4 to 6 oz per gallon of water

For high pressure dilute 2 to 4 oz per gallon of water

Dilutions may vary depending on the severity of the soils, bugs, and road film.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear eye protection/face protection. **Response:** If skin irritation occurs: Get medical advice/ attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
