

Foaming Sewer Cleaner

SEWER LINE & ROOT CLEANER

PHYSICAL PROPERTIES

Appearance: Blue Liquid

Specific Gravity: 1.34

Odor: Characteristic

Ph (Conc.): 3-5

Flash Point: >212°F (100°C)

PACKAGING

5 gal

ABOUT THIS PRODUCT

Foaming Sewer Cleaner is a ready to use product. It works within hours of application. Foaming Sewer Cleaner provides a heavy foam blanket over the entire surface to keep sewer lines clean and free flowing.

When used in conjunction with a program of regular inspection, cleaning and flushing, it is designed to help keep piping, wells and basins unobstructed, free flowing and clear of deposits.

Foaming Sewer Cleaner is a foaming sewer line maintenance chemical used by municipalities to clear obstacles and to keep sewer lines running free.

Root related sewer problems include:

- Sewer stoppages and overflows,
- Structural damage caused by growing roots,
- Formation of septic pools behind root masses which generate hydrogen sulfide, other gases and odors,
- Reduction in hydraulic capacity, and loss of self-scouring velocities.

DIRECTIONS

Foaming Sewer Cleaner is a ready to use product. Do not dilute. Pour directly into sewer line. Activate with high pressure water supply for additional foaming.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear protective gloves. Wear eye protection/face protection. Do not eat, drink or smoke when using this product.

Response: IF SWALLOWED: Call a POISON CENTER/doctor/medical professional if you feel unwell. Rinse mouth. IF ON SKIN: Wash with plenty water. Specific treatment (see Section 4 on the Safety Data Sheet) If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention.

Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.
