PACKAGING

4X64 oz

ABOUT THIS PRODUCT

#11 Heavy Duty Restroom Cleaner is an acid based product formulated to eliminate tough soils including soap scum, hard water deposits, rust stains and mildew. Spray on surface to be cleaned or apply with damp sponge or cloth. Allow solution to work before wiping surface clean. Allow to remain on surface a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Rinse thoroughly with clean water or wipe with a clean damp sponge or cloth.

Spot check hidden area of surface to be cleaned first. Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water. This product is an acid based product and should not be used on natural stone. Test on an inconspicuous area, if uncertain.

DIRECTIONS

To dispense the product, Insert the LockNLoad Elite bottle into the dispensing system and lower the handle of the single product unit or attach the adapter cap onto the insert in the opening of the bottle. Connect the dilution system to a water line to dilute the product. LockNLoad Elite products are designed to be used with a dispensing system. Using the dispensing system will ensure that the concentrate is diluted correctly. The insert in the opening of the container should never be removed. If the insert has been removed, the contents of the container and the container should be properly disposed of.

PRECAUTIONARY STATEMENTS

Prevention: Keep only in original container. Do not breathe dusts or mists. Wash skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/ face protection. **Response:** Absorb spillage to prevent material damage. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable breathing. Immediately call a POISON CENTER/doctor/medical professional. Specific treatment (see supplemental information on this label). IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. **Storage:** Store in corrosive resistant container with a resistant inner lining. Store locked up. **Disposal:** Dispose of contents/container in accordance with local/regional/national/ international regulations.
