APPLE BLOSSOM DEODORIZER

ABOUT THIS PRODUCT

12-Apple Blossom Deodorizer can be used on fabric surfaces such as upholstered furniture and carpeting. Use sparingly. Spray lightly wherever offensive odors are to be controlled. Spray in enclosed non-traffic areas. For outdoor areas such as garbage dumps, sludge beds, incinerator pits, etc. spray over the entire area. Use sparingly. Amount to be used varies with the intensity of the malodor. In refuse cans, garbage containers, truck beds, etc., spray before filling with debris. For best results also spray around the sides and over the contents.

DIRECTIONS

To dispense the product, Insert the LockNLoad Elite bottle into the dispensing system and lower the handle of the single product unit or attach the adapter cap onto the insert in the opening of the bottle. Connect the dilution system to a water line to dilute the product. LockNLoad Elite products are designed to be used with a dispensing system. Using the dispensing system will ensure that the concentrate is diluted correctly. The insert in the opening of the container should never be removed. If the insert has been removed, the contents of the container and the container should be properly disposed of.

PRECAUTIONARY STATEMENTS

Prevention: Wear eye protection/face protection. Wash hands and exposed skin thoroughly after handling. Wear protective gloves. **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor/medical professional. IF ON SKIN: Wash with plenty of water for at least 15 minutes. Specific treatment (see section 4 on the Safety Data Sheet). If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.
