ABOUT THIS PRODUCT

#20G Earth Worx Non Acid Restroom Cleaner is a strong yet safe multi-use cleaner that has the strength of an acid cleaner but it much safer for the user. This product is formulated to safely and effectively remove scum, alkali build up, soap film and hard water. Use on sinks, toilets, partitions, shower stalls, drinking fountains, tile and grouted floors.

This product can be used full strength when necessary but should be diluted with water for most cleaning tasks. Product should be diluted depending on the application, the surface and the severity of the soil.

DIRECTIONS

To dispense the product, Insert the LockNLoad Elite bottle into the dispensing system and lower the handle of the single product unit or attach the adapter cap onto the insert in the opening of the bottle. Connect the dilution system to a water line to dilute the product. LockNLoad Elite products are designed to be used with a dispensing system. Using the dispensing system will ensure that the concentrate is diluted correctly. The insert in the opening of the container should never be removed. If the insert has been removed, the contents of the container and the container should be properly disposed of.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear eye protection/face protection. **Response:** If skin irritation occurs: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
