

## CARPET EXTRACTION CLEANER

### PHYSICAL PROPERTIES

**Appearance:** Pink Liquid

**Specific Gravity:** 1.01

**Odor:** Citrus

**Ph (Conc.):** 12-13

**Flash Point:** >212°F (100°C)

### PACKAGING

4X64 oz

### ABOUT THIS PRODUCT

#8 Carpet Extraction Cleaner is a proprietary blend of low foaming surfactant, organic acids, water conditioning agents and optical brighteners.

#8 can be diluted directly into the solution tank of a carpet extractor or can be diluted into a sprayer. Pre-spray the carpet and then use a carpet extractor with fresh water to rinse. Once carpet and upholstery have been cleaned, a fan should be used to help the surface dry. Always make sure that the surface is completely dry before allowing regular traffic back into the area.

A color fastness test in a hidden area should always be performed before extraction on colored carpet and fabrics. This product can also be used as a carpet bonnet cleaner.

### DIRECTIONS

To dispense the product, Insert the LockNLoad Elite bottle into the dispensing system and lower the handle of the single product unit or attach the adapter cap onto the insert in the opening of the bottle. Connect the dilution system to a water line to dilute the product. LockNLoad Elite products are designed to be used with a dispensing system. Using the dispensing system will ensure that the concentrate is diluted correctly. The insert in the opening of the container should never be removed. If the insert has been removed, the contents of the container and the container should be properly disposed of.

### PRECAUTIONARY STATEMENTS

**Prevention:** Wear eye protection/face protection. Wash hands and exposed skin thoroughly after handling. Wear protective gloves. **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor/medical professional. IF ON SKIN: Wash with plenty of water for at least 15 minutes. Specific treatment (see section 4 on the Safety Data Sheet). If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.
