4X1 gal

ABOUT THIS PRODUCT

This premium dish detergent provides excellent food and grease removal in dish machines. It is formulated to remove a wide range of organic and man-made soils from stainless, iron, silver, copper and fine china ware. This heavy duty detergent is effective in hot or cold water systems and is biodegradable. It is intended for high temperature machines. It is custom formulated with additional chelating agents for extreme hard water conditions.

DIRECTIONS

1. Pre-spray and/or scrape dishes before washing.
2. Rack dishes properly.
3. Place dishes in machine.
4. Consult technician for proper dilution rate.
5. Use Rinse/Dry Aid to help dishes dry spot free.
6. Allow dishes to air dry.

Note: Be sure detergent injector is working properly.
This product is not intended for hand-feeding.

PRECAUTIONARY STATEMENTS

Prevention: Wear eye protection/face protection. Wash hands and exposed skin thoroughly after handling. Wear protective gloves.
Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/ doctor/ medical professional. IF ON SKIN: Wash with plenty of water for at least 15 minutes. Specific treatment (see section 4 on the Safety Data Sheet). If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.
