LAUNDRY BREAK

ABOUT THIS PRODUCT

Heavy Duty: Highly concentrated formula powers up the cleaning ability of detergent for cleaning heavily soiled items.

Liquid Concentrate: Mixes readily and goes to work immediately. Will not clog or cake up in automatic injectors.

Versatile: Can be used in a separate break cycle or combined with laundry detergent for superior results.

Anti-redepostion Agent: Contains a special soil suspending agent to guard against re-soiling.

Chemically Compatible: May be used with all types of detergents.

DIRECTIONS

Use Break at the dilution of 6 ounces per 100 pounds of laundry. A highly alkaline break that is formulated for use with auto dispensing systems. This product provides deep cleaning action on heavily soiled loads. Formulated to dissolve grease oil, and fat. Powers up the cleaning ability of detergent.

Applications: Recommended for use with automatic laundry equipment in: hotels, motels, hospitals, nursing homes, commercial laundries, restaurants, and other on-premise laundries.

This product is designed to be used with a non built laundry detergent.
