**Specific Gravity:** 1.00

**Odor:** Fresh

**Ph (Conc.):** 9-10

**Flash Point:** >212°F (>100°C).

### PACKAGING

4X64 oz

### ABOUT THIS PRODUCT

Lock-N-Load Jr. #15 Enzyme Floor Cleaner is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a pleasant fresh scent. It is recommended for use in food service areas, schools, hotels, hospitals, restrooms, and shower rooms. No rinse is required. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout and brick and rubber mats with a floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to a minimum.

### DIRECTIONS

To dispense the product, attach the LockNLoad Jr. dilution unit or adapter cap onto the Green insert in the opening of the bottle. The dispensing system is factory set to properly dilute the concentrate with water. For a water driven system, connect the system to a water line to dilute the product.

LockNLoad Jr. products are designed to be used with a dilution system. Using the dispensing system will ensure that the concentrate is diluted correctly. The green insert in the opening of the container should never be removed. If the green insert has been removed, the contents of the container and the container should be properly disposed of.

### PRECAUTIONARY STATEMENTS

**Prevention:** Wear eye protection/face protection. **Response:** If skin irritation occurs: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor/medical professional.
