FOAMING DEGREASER

PHYSICAL PROPERTIES

Appearance: Bright Green Liquid

Specific Gravity: 1.01

Odor: Fresh

Ph (Conc.): 11-12

Flash Point: >212°F (100°C)

PACKAGING

4X64 oz

ABOUT THIS PRODUCT

Lock-N-Load Jr. #21 is a non-butyl degreaser formulated to quickly break up and dissolve fats, greases, and oils. This product can be used on all surfaces that are not harmed by water. Use in a foaming spray system, trigger sprayer, mop bucket, or high pressure sprayer.

This versatile degreaser was formulated to be used anywhere there is grease, fat, and oils. This product can be used in meat cutting rooms, processing plants, meat packing facilities, industrial plants, and any other facility where a non-butyl degreaser is desired.

DIRECTIONS

To dispense the product, attach the LockNLoad Jr. dilution unit or adapter cap onto the Green insert in the opening of the bottle. The dispensing system is factory set to properly dilute the concentrate with water. For a water driven system, connect the system to a water line to dilute the product.

LockNLoad Jr. products are designed to be used with a dilution system. Using the dispensing system will ensure that the concentrate is diluted correctly. The green insert in the opening of the container should never be removed. If the green insert has been removed, the contents of the container and the container should be properly disposed of.

Dilutions:

Foaming Meat Room Cleaner: ½ to 2 oz per gallon of water

Regular Cleaning: 1 to 2 oz to 1 gallon of water.

H.D., Concrete Cleaning, Floor Cleaning: 4 oz to 1 gallon of water

Heavy Duty Kitchen Cleaning: 2 to 4 oz to 1 gallon of water

Food Processing Plants: 8 oz to 1 gallon water

Industrial Machinery: 8 oz to 1 gallon water

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear protective gloves. **Response:** IF ON SKIN: Wash with plenty water. Specific treatment (see Section 4 on the Safety Data Sheet) If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
