4X1 gal

Oxy Bleach

OXYGEN PEROXIDE BASED COLOR SAFE BLEACH

ABOUT THIS PRODUCT

A liquid oxygen laundry bleach specifically designed to be used on permanent press fabrics. Oxy Bleach is also recommended for use on fabrics such as wool or silk where the use of chlorine bleach is prohibited. This product is safe on all colored fabrics.

It is ideally suited for use in: hotels, motels, hospitals, nursing homes, commercial laundries, resturants, and other on premise laundries.

Versatile - Formulated for use on most colored to white fabrics and is less damaging than chlorine bleach.

Enzyme Compatible - Use in conjunction with enzyme laundry detergents and pre-soaks. Brightens fabrics - Restores the fabric brightness lost due to graying or yellowing. Economical - 5 - 6 oz. per 100 lbs of linen will provide excellent destaining results. Convienient - Packaged industrial sizes.

DIRECTIONS

Use Oxy Bleach at the following dilution rates:

Light Soil: 3 oz. per 100 lbs. of laundry **Medium Soil:** 4 oz. per 100 lbs. of laundry **Heavy Soil:** 6 oz. per 100 lbs. of laundry
