ABOUT THIS PRODUCT

A premium hand dishwash for use in busy kitchens. Tough on food soils (proteins, starches, fats and oils) but gentle to the hands. High foaming long lasting suds. Rinses quickly, easily and completely. Used successfully by institutional kitchens, restaurants, hospitals, nursing homes and schools.

This highly effective concentrated premium hand dish detergent produces rich "grease eating" suds that quickly cut through food soils. Contains special suspending agents to keep grease and soils from redepositing on dishes, as well as lanolin to leave hands soft. This specialized surfactant blend is equally effective on a variety of other washable surfaces.
