

121

FOAMING DEGREASER

PHYSICAL PROPERTIES

Appearance: Bright Green Liquid

Specific Gravity: 1.01

Odor: Fresh

Ph (Conc.): 11-12

Flash Point: >212°F (100°C)

PACKAGING

4X1 gal

ABOUT THIS PRODUCT

Lock-N-Load 121 is a non-butyl degreaser formulated to quickly break up and dissolve fats, greases, and oils. This product can be used on all surfaces that are not harmed by water. Use in a foaming spray system, trigger sprayer, mop bucket, or high pressure sprayer.

This versatile degreaser was formulated to be used anywhere there is grease, fat, and oils. This product can be used in meat cutting rooms, processing plants, meat packing facilities, industrial plants, and any other facility where a non-butyl degreaser is desired.

DIRECTIONS

Insert container into the Lock-N-Load Dilution Station. Lock the container into place by sliding the blue lock to the left. This locks in the container and connects it to the Dilution Station. The Dilution Station is set to properly dilute the concentrate with water.

Dilutions:

Foaming Meat Room Cleaner: ½ to 2 oz per gallon of water

Regular Cleaning: 1 to 2 oz to 1 gallon of water.

H.D., Concrete Cleaning, Floor Cleaning: 4 oz to 1 gallon of water

Heavy Duty Kitchen Cleaning: 2 to 4 oz to 1 gallon of water

Food Processing Plants: 8 oz to 1 gallon water

Industrial Machinery: 8 oz to 1 gallon water

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear protective gloves. **Response:** IF ON SKIN: Wash with plenty water. Specific treatment (see Section 4 on the Safety Data Sheet) If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
