ABOUT THIS PRODUCT

Here is a highly concentrated multipurpose cleaner that is versatile and biodegradable. It penetrates deep to attack dirt and grime, then lifts and holds them in suspension so they can be rinsed away. Excellent cleaning results even in hard water. This synthetic detergent can't leave a soap scum to dull the shine.

Safe on all surfaces not harmed by water, asphalt, vinyl, rubber, linoleum, sealed wood, steel files and equipment, etc.

Very economical at use dilution and can be used in cold water for additional energy savings.
