

Liqui-Suds

LAUNDRY DETERGENT

ABOUT THIS PRODUCT

Liqui-Suds is a premium nonionic laundry detergent excellent for cleaning synthetic and natural fabrics. It penetrates stains and promotes emulsification of oily soils.

BENEFITS

General Purpose: Ideal for many types of industrial and institutional laundry. Will not harm any water washable fabric.

Effective On Oily Soils: Special surfactant system provides excellent cleaning action against oily and greasy soils.

Brightens Fabrics: Optical brightener renews brightness of whites and colored fabrics.

Liquid Concentrate: Mixes readily and goes to work immediately. Will not clog or cake up on automatic injectors.

Hard Water Tolerant: Performance and rinsability are unaffected by moderate levels of water hardness. Water conditioning agents help prevent the deposition of dulling, graying film on fabrics.

Chemically Compatible: May be used with bleaches, boosters and breaks.

PHYSICAL PROPERTIES

Appearance: Blue Viscous Liquid

Specific Gravity: 1.04

Odor: Lavender Vanilla

Ph (Conc.): 13-14

Flash Point: N/A

PACKAGING

4X1 gal, 5 gal
