INSTRUCTIONS FOR FULL LVT LINE USAGE

1. Clean floors thoroughly to remove debris and dirt using a dust mop or damp mop.
2. Apply the **LVT DEEP SCRUB** using a red pad.
3. Rinsing completely after cleaning.
4. Apply **REJUVENATOR** using a pump up sprayer and a microfiber flat mop, no more than 2 coats, drying completely in between.
5. OR apply **RESHINE & PROTECT** using a pump sprayer and a microfiber flat mop up to 4 coats, drying completely in between.
6. Clean with an auto scrubber using only **LVT DAILY CLEANER** and a WHITE pad.
7. After applying a few coats of **RESHINE & PROTECT** you can burnish with a soft pad, moving quickly.
