Odor: Mint

Ph (Conc.): 9-10

Flash Point: >212°F (100°C)

PACKAGING

4x1 Gallon, 6x32 Quart,
64oz Half Gallon

ABOUT THIS PRODUCT

Enzy Maxx is a high performance, Probiotic based floor cleaner, odor eliminator, and grease digester with a pleasant fresh scent. It is recommended for use in restrooms, shower and locker rooms, carpets, kennels, dumpsters, and any location where malodors are a problem. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout and brick, carpet and rubber mats with a floor machine or mopping. Safer probiotic spores use malodors as a catalyst to produce odor destroying bacteria and enzyme action that continues to clean between regularly scheduled cleanings to help stop malodors, oils, and synthetic soils from accumulating.

DIRECTIONS

Dilutions

1 to 2oz per gallon in Mop Buckets and Auto Scrubbers

2oz per gallon in trigger sprayers

For Lock N Load Dispensing Systems:

To dispense the product, attach the dilution unit or adapter cap onto the insert in the opening of the bottle. The dispensing system is factory set to properly dilute the concentrate with water. Using the dispensing system will ensure that the concentrate is diluted correctly. The insert in the opening of the container should never be removed. If the insert has been removed, the contents of the container and the container should be properly disposed of

PRECAUTIONARY STATEMENTS

PPrevention: Wear eye protection/face protection.

Response: If skin irritation occurs: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor/medical professional.
